7<sup>th</sup> July 2025 – 18<sup>th</sup> July 2025  
Enrolled Primary School Aged Children REC - 6

## BOOKINGS

**BOOKINGS MUST BE MADE BY  
Friday 20<sup>th</sup> June 2025**

To guarantee places.

Access to Vacation Care is open to all members of the local community and is not restricted to the families of St Thomas More School; this is a requirement of the Commonwealth Government. To ensure your bookings, please return by the above date. Any bookings made from the last day of term are booked at a casual rate.

Please be aware that excursion days are capped & so therefore a first in basis applies even before close of bookings

## CHILDCARE SUBSIDY

As our service operates for 11 ½ hours per day, on a sessional basis, this adds up to 57 ½ hours per week. The extra 7 ½ hours session time does not attract any Child Care Subsidy fee reduction. If your child attends for all 5 days in a week your account will show an increased amount payable on the 5<sup>th</sup> day attended (Friday). This amount incorporates 7 ½ hours of care charged at the full-service rate of that day – Speciality days are charged the same.

## SESSION TIMES

Daily session times are:

6:30am – 6:00pm

\*Please note there is a late collection fee of \$2.00 per minute, per child from 6:00pm to the time of collection .

## FEE'S & CHARGES

\$56.00 normal days, \$76.00 for speciality days (Before Childcare Subsidy is deducted) Casual Bookings incur \$2.00 extra when booked from the first day of Vacation Care.

If you wish to make payments in advance for your Vacation Care bookings to alleviate a large sum being owed at the billing date, you are welcome to do so.

If your child will not be attending on a day that has been booked, please advise us on the OSHC office phone number – 72851555 or the mobile number – 0409 551 699 and your child will be recorded as absent.

The service policy is all cancellations & amendments are still charged from the first day of vacation care.

A REMINDER: Families that use Before and After School Care are expected to have all Term Fees paid in full by the last day of term. We understand that the financial situation of families can change from time to time and if you foresee this being an issue, please make time to see either myself or our School Principal in relation to this matter. Otherwise, failure to have your account cleared may result in your child's bookings and place during the term and / or Vacation Care being cancelled. All families who attend vacation care only need to ensure fees are paid in full before bookings for the following vacation care period can be made.

## MEALS AND SNACKS

Please provide your child with a healthy morning recess, snacks, lunch and a full drink bottle. Your child may not want to eat what we provide, and we welcome those bringing extra healthy snacks for this time. Children must not bring food that requires heating, as this is a safety concern, and we may not be in a place to provide such facilities. Children must not share with other children (other than siblings) their food items, as we have children that attend with differing allergies.

## ALLERGIES, MEDICATION & MEDICAL NEEDS

If your child has a food or other allergies, please complete the health form available from the OSHC office. Details of your child's allergies may be displayed for staff members to access and become aware of.

Please supply any medication in the original container and labelled by the chemist with your child's name along with the signed medication form (available from the OSHC office) or signed current Health Care Plan. Medication will only be able to be administered by the staff if this documentation is current and signed by your doctor. A record of any medication that is administered is kept and will need to be signed at the end of each day by a parent/caregiver, & it will be signed off by the educator in charge on the day.

If your child has any specific medical needs, please discuss this with the Director so that the staff can give your child the best possible care.

## TOYS, ELECTRONICS, MOBILE PHONES AND OTHER ITEMS FROM HOME

We do not allow any toys, electronic devices, mobile phones, or other items from home (unless otherwise stated in the program). Please refer to the Information Handbook for specific details.

## NO HAT - NO PLAY POLICY

We operate on a No Hat - No Play policy which is in line with the school. This includes Excursion Days and unfortunately if your child does not have a hat with them on these days they will not be permitted to attend, as there is no option to remain at school.

During the day, all children are required to be outdoors and if they do not have an appropriate hat, they will need to be involved in quiet activities in a shaded area outdoors. Acceptable hats are full brim hats, bucket hats or legionnaire hats.

## CHILDREN'S WELL-BEING

If your child has or is experiencing any difficulties which may affect their wellbeing or happiness, please see the Director or another educator to discuss this. We would like all children to have a fun and happy experience while at Vacation Care and our staff will always do their best to ensure this.

## CLOTHING @ OSHC

Effective clothing strategies, including sun protection clothing, are important factors in ensuring a child feels safe and secure at our Service. Provide spare clothing in your child's bag to allow for dirty or soiled clothing and or changing weather conditions.

- Dress children appropriately according to the conditions - no singlets/tank tops (refer to sun protection policy).
- Ensure your child/ren wear appropriate footwear - no thongs or crocs (except for swimming excursions).
- Ensure your child has an appropriate style hat, terms one and four - a cap is not suitable.
- Ensure the return of clothing (washed) should the Service need to supply your child with any.
- Ensure all clothing is labelled - so the items can be returned if left behind.

## INAPPROPRIATE & DANGEROUS BEHAVIOUR

The normal consequences and steps of OSHC behaviour management will be followed if your child is involved in inappropriate or unacceptable behaviour. This includes receiving reflection time and behaviour reflection slips being written up – these will be discussed with the collecting adult upon pick up. In OSHC and Vacation Care we have NON – NEGOTIABLES as below.

Appropriate behaviours and language is always expected while on an excursion from all children as we are usually accessing public areas where other people and families attend – if unacceptable behaviours and language occur, parents/ caregivers will be called to collect child/ren from the venue. Children who display unsafe behaviour and or inappropriate language leading up to the excursions will not be able to attend the upcoming excursions, as the safety of all children and staff is paramount.

Any physical abuse towards an Educator children will be sent home for the rest of the session and will be unable to return for their next booked session.

## St. THOMAS MORE SCHOOL OSHC NON-NEGOTIABLES

## Policy Statement

We educate all children in Sun Protection strategies. All staff model appropriate sun protection behaviour and enforce the Sun Protection Policy.

This policy applies to all service events on and off site.

## Purpose

This Sun Protection Policy provides guidelines to:

- Ensure all children, educators and staff have some UV exposure for vitamin D.
- Ensure all children, educators and staff are well protected from too much UV exposure by using a combination of sun protection measures whenever UV levels reach 3 and above.
- Ensure the outdoor environment is sun safe and provides shade for children, educators and staff.
- Ensure children are encouraged and supported to develop independent sun protection skills.
- Support duty of care and regulatory requirements
- Support appropriate WHS strategies to minimise UV risk and associated harms for educators, staff and visitors.

## Background

A balance of ultraviolet radiation (UV) exposure is important for health. Too much of the sun's UV can cause sunburn, skin and eye damage and skin cancer. Exposure to the sun's UV during childhood and adolescence is associated with an increased risk of skin cancer in later life. Too little UV from the sun can lead to low vitamin D levels. Vitamin D is essential for healthy bones, muscles and for general health.

## Procedures

Educators and children are encouraged to access the daily local sun protection times at [sunsmart.com.au](https://www.sunsmart.com.au) or on the free Sun Smart app to assist with the implementation of this policy.

A combination of sun protection measures is used for all outdoor activities from **September to the end of April** and whenever UV levels reach 3 and above.

Where possible, active, outdoor sun safe play is encouraged throughout the day.

## Environment

### *Seek shade*

A shade audit is conducted regularly to determine the current availability and quality of shade.

Management makes sure there is a sufficient number of shelters and trees providing shade in the outdoor area.

The availability of shade is considered when planning all outdoor activities and excursions.

Children are encouraged to choose and use available areas of shade when outside.

Children who do not have appropriate hats or outdoor clothing are asked to choose a shady play space or a suitable area protected from the sun.

## Behaviours

### ***Slip on sun protective clothing***

When outside, children are required to wear loose fitting clothing that covers as much skin as possible. Clothing made from cool, densely woven fabric is recommended. Tops with elbow length sleeves, and if possible, collars and knee length or longer style shorts and skirts are best. If a child is not wearing sun-safe clothing (e.g., a singlet top or shoestring dress) they will be required to choose a t-shirt/shirt to wear over the top before going outdoors.

### ***Slap on a hat***

All children are required to wear hats that protect their face, neck, and ears, i.e., legionnaire, broad-brimmed or bucket hats. Baseball or peak caps and visors are not considered a suitable alternative.

### ***Slop on sunscreen***

SPF50+ broad-spectrum, water-resistant sunscreen is supplied by the service – Woolworths Everyday SPF50+. Families are to supply sunscreen should they wish for a different sunscreen to be applied to their child/ren.

Sunscreen is applied at least 20 minutes before going outdoors and reapplied every TWO hours if outdoors.

With parental consent, children with naturally very dark skin are not required to wear sunscreen to help with vitamin D requirements.

To help develop independent skills ready for school, children from 3 years of age are given opportunities and encouraged to apply their own sunscreen under supervision of staff.

### ***Slide on sunglasses [if practical]***

Where practical, children are encouraged to wear close fitting, wrap-around sunglasses that meet the Australian Standard 1067 (Sunglasses: Category 2, 3 or 4) and cover as much of the eye area as possible.

## Learning and Skills

Sun protection and vitamin D are incorporated into the learning and development program.

The Sun Protection Policy is reinforced through educator and children's activities and displays.

## Engaging Children, Educators, Staff and Families

Educators, staff and families are provided with information on sun protection and vitamin D through family newsletters, service handbook, noticeboards and the service's website.

When enrolling their child, families are:

- Informed of the service's Sun Protection Policy
- Asked to provide a suitable sun protective hat, covering clothing and sunscreen for their child

- Asked to provide sunscreen if the child requires a different sunscreen applied, than the one supplied by the service: Woolworths Everyday SPF50+
- Required to give permission for educators to apply sunscreen to their child
- Encouraged to practice Sun Smart behaviours themselves when at the service
- As part of WHS UV risk controls and role-modelling, when the UV is 3 and above educators, staff and visitors:
- Wear a suitable sun protective hat, covering clothing and, if practical, sunglasses
- Apply sunscreen
- Seek shade whenever possible

## Monitoring and Review

- Management, educators, and staff monitor and review the effectiveness of the Sun Protection Policy and revise the policy when required (at least once every three years) by completing a policy review.
- Sun Protection Policy updates and requirements will be made available to educators, families, and visitors.

## House keeping

### FOOD

During Vacation Care St Thomas More School OSHC encourages all children to have a piece of fruit for a healthy snack break. This usually occurs between 9:00am and 9:30am.

St Thomas More School OSHC provides a Breakfast until 8:00am, a fresh fruit patten for morning and afternoon tea along with a special snack. Children are required to bring lunch, recess, and a drink bottle. If OSHC supplies these items during vacation care your account will be charge a miscellaneous charge. Sandwiches are charged at \$2.50 for a cream cheese or vegemite topping and water bottles are charged at \$2.00 per bottle. Please ensure you read the afternoon tea food menu and if your child/ren does not like /want to eat what we are supplying please provide an alternative. During a full day of Vacation Care children can become extra hungry so please be aware we do not supply snacks, and you may need to supply more than on a regular school day.

### CLOTHING

Every day children are required to bring a bucket hat NO HAT NO PLAY during terms 1 & 4. Caps are not appropriate hat wear for OSHC, and children will not be able to wear them outside. Children also need to wear sun smart clothing such as a t-shirt where the shoulders are covered as children who are not wearing appropriate tops will need to play in the shade. Ensure all clothing and personal belongings are labelled so that we can reunite items with their owners anything not collected by the end of vacation care will be donated. Please make sure OSHC spare clothes are returned clean to the service if your child has come home in them. If we have had to supply a change of underwear, your account will be charged a \$2.50 miscellaneous charge as underwear cannot be brought back to the service and re-used.

### Excursions

Please ensure you pack recess, lunch, drink bottle and a SunSmart hat term 1 & 4 and clothing and enclosed shoes. Please pack extra snacks as children are burning more energy and are hungrier more often. Any child/ren without a drink will be supplied one from the service and a miscellaneous charge of \$2.00 will be charged to your account.

### Behaviour

If children become physical towards other children and educators, families are called to collect their child, and this may include exclusion from a future session/s. Dangerous, unsafe, and threatening behaviour leading up to an Excursion may result in your child not being able to attend an Excursion Day. Please see the OSHC NON-NEGOTABLES.
