

Seesaw

A step-by-step guide to access Seesaw for Parents/Guardians

1. **Get your invite:** Your child's teacher will provide you with a unique QR code or an invite link via email or handout.
2. **Download the app or visit the website:** Get the "Seesaw Family" app from your device's app store or go to web.seesaw.me.
3. **Select your role:** Tap "I'm a Family Member" (not "I'm a Student").
4. **Connect your account:**
 - Tap "Create Family Account" or "Scan QR Code".
 - Use your device's camera to scan the QR code from your invite.
 - Alternatively, if you have a link, tap the link in the email and follow the prompts.
5. **Sign up:** Enter your email and create a password.
6. **Start exploring:** Once connected, you can view your child's journal, see photos, videos, and projects, like posts, leave comments (including audio), and message the teacher.
